AUTHORITY AND REFERENCE

Authority: Insurance Code sections 12693.21,) and 12693.775.

Reference: Insurance Code sections 12693.21, 12693.43, 12693.53, 12693.60, 12693.615, 12693.63, 12693.65, 12693.66, 12693.755, and 12695.64

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Policy Statement: The objective of the proposed action is to implement, interpret, or make specific Sections 17, 18 and 19 of Assembly Bill 1183 (Chapter 758, Statutes of 2008) in regards to monthly family contributions, and vision and dental benefits.

Existing Law: The Insurance Code (commencing at section 12693) creates the HFP and sets forth, among other things, certain health, dental and vision benefits that can be provided to eligible families and certain amounts that are to be paid as family contributions for the provision of such benefits. These statutes are implemented, interpreted or made more specific by MRMIB. The specific amount, scope and duration of benefits, and the family contributions are currently set in regulations found at title 10, California Code of Regulations, beginning with section 2699.6700. The proposed action amends these provisions in keeping with Sections 17, 18 and 19 of Assembly Bill 1183 (Chapter 758, Statutes of 2008) which require increases in the family contributions, limits vision benefits and allows for a limitation on dental benefits.

LOCAL MANDATE

This proposal does not impose a mandate on local agencies or school districts.

FISCAL IMPACT ESTIMATES

This proposal does not impose a mandate on local agencies or school districts for which reimbursement would be required pursuant to Part 7 commencing with Section 17500 of Division 4 of the Government Code. This proposal does not impose other nondiscretionary cost or savings on local agencies. This proposal will result savings to the state as described below.

COSTS OR SAVINGS TO STATE AGENCIES

- Premium Savings –

The State will realize a savings of \$2,216,393 in the current year due to increased subscriber premiums.

The State will realize a savings of \$5,630,242 in 2009-10 due to the increased subscriber premiums.

- Dental Benefits Savings –

The State will not realize any savings in the current fiscal year due to the late signing of the 2008 Budget Act and implementation of this reduction has been delayed to 2009-10 Fiscal Year. Since it is unlikely that subscribers will reach the \$1,500 benefit cap with only five months remaining in the benefit year assuming a February 1, 2009, implementation date, dental plan rates will not be reduced in 2008-09 as no reduction in utilization/costs is assumed.

The Federal Funds savings in 2009-2010 is estimated to be \$3,316,075.

The State estimates a General Fund saving of \$1,941,430 in 2009-2010 due to the implementation of the reduction.

COSTS OR SAVINGS IN FEDERAL FUNDING TO THE STATE:

- Premium Savings –

The Federal funding will realize a savings of \$3,867,584 in the current year due to the increased subscriber savings.

The Federal funding will realize a savings of \$9.824,718 in 2009-2010 due to the increased subscriber savings.

- Dental Benefit Savings –

The Federal savings will not be realized in the current fiscal year due to the late implementation of the 2008 Budget Act and implementation of this reduction has been delayed to 2009-2010 Fiscal Year.

The Federal Fund savings in 2009-2010 is estimated to be \$3,316,075.

BUSINESS IMPACT/SMALL BUSINESS

The MRMIB has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The proposal does not affect small businesses as defined by section 11342.610. The determination that the proposal would not affect small business is based upon the fact that the proposal applies only to the procedures followed by the MRMIB. It has no impact at all on any entity that is not a state agency as defined in section 11000 of the California Government Code as the regulations only establish procedures.

ASSESSMENT REGARDING EFFECT ON JOBS/BUSINESSES

The MRMIB has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California

COST IMPACTS ON REPRESENTATIVE PERSON OR BUSINESS

There may be an increased cost to individuals as the proposed regulations implement at \$1,500 dental benefits annual cap. Individuals may incur additional costs if their dental care exceeds the \$1,500 cap. Subscribers will also pay a higher monthly premium.

EFFECT ON HOUSING COSTS: None

ALTERNATIVES

The MRMIB must determine that no reasonable alternative considered by the agency, or that has been otherwise identified and brought to the agency's attention, would be more effective in carrying out the purpose for which the adoption of this regulation is proposed, or would be as effective as and less burdensome to affected private persons than the proposed action.

INITIAL STATEMENT OF REASONS

INTRODUCTION

In August 1997, the Federal Government established a new program, the State Children's Health Insurance Program (SCHIP), by adding Title XXI to the Social Security Act. The program provides health care services to uninsured, low-income children. The program is targeted to serve children whose family's income, although low, is too high to qualify for the Title XIX Medicaid Program, called Medi-Cal in California. The Legislature passed and the Governor signed AB 1126, resulting in Chapter 623, Statutes of 1997 (AB 1126). Under that law, California took the option of both expanding its Medi-Cal Program and establishing a new stand alone children's health insurance program, the Healthy Families Program (HFP). HFP currently provides health insurance for more than 845,635 low-income children. The Department of Health Care Services (DHCS) administers the Medi-Cal expansion through its own Regulations. The Managed Risk Medical Insurance Board (MRMIB) administers the HFP. The basic structure of the HFP is set out in regulations approved by the Office of Administrative Law, which established Chapter 5.8 of Title 10 of the California Code of Regulations.

The Insurance Code (commencing at section 12693) creates HFP and sets forth, among other things, certain health, dental and vision benefits that can be provided to eligible families and certain amounts that are to be paid as family contributions for the provision of such benefits. These statutes are implemented, interpreted or made more specific by MRMIB. The specific amount, scope and duration of benefits, and the family contributions are currently set in regulations found at title 10, California Code of Regulations, beginning with section 2699.6700. The proposed action amends these provision in keeping with Sections 17, 18 and 19 of Assembly Bill 1183 (Chapter 758, Statutes of 2008)

which require increases in the family contributions, limits vision benefits and allows for a limitation on dental benefits.

Assembly Bill 1183 (Chapter 758, Statutes of 2008) Sections 17, 18 and 19 amended the HFP statutes (Insurance Code section 12693 et. seq.) to increase monthly family contributions and revise the HFP vision and dental benefit structure. These sections also clarify that the adoption of conforming regulations by MRMIB is deemed to address an emergency for purposes of sections 11346.1 and 11349.6 of the Government Code.

On January 5, 2009, MRMIB submitted to the Office of Administrative Law (OAL) the request for emergency approval of the proposed regulations as required by AB 1183. The emergency regulations were approved by OAL and were effective January 15, 2009. The effect of the regulations is described below in connection with the specific subsection modified in these proposed regulations.

Reasonable Alternatives Considered That Would Lessen the Impact On Small Business – Gov Code 11346.2(b)(3)(B):

None.

Evidence Relied Upon To Support The Initial Determination That the Regulation Will Not have A Significant Adverse Economic Impact On Business – Gov. Code 11346.2(b)(4):

The proposed regulation will not have a significant adverse economic impact upon business since the regulations effect the increase to an individual subscriber's premiums. The revision of the Healthy Family Program dental and vision benefit structure has no increase in cost to businesses.
